Dear ICAA board members, members, and friends,

Since the ICAA established in 2012, it has marched on for nearly 6 years. As we approach the holiday season, Dr. Renyu Liu and Dr. Yun Xia, representing the ICAA Executive Board, want to take this opportunity to express our sincere appreciation for your dedication, support, and friendship over the years.

Based on the recent executive board meeting that occurred on December 22, 2017, we have our new leadership team taking effect immediately for the 2018-2019 term, as noted on the left side of this greeting letter.

Working with this group of talented professionals, we have reached many significant achievements in academic endeavors in anesthesiology, perioperative and pain medicine, as well as areas beyond our subspecialties. Your great support will continue to help us in the coming years! We look forward to your outstanding contributions and friendships in 2018!

We will continue to do our best to build a strong platform for our ICAA members for excellent academic exchanges and a better future for our practice and life.

Our best wishes to you and your families for a healthy, happy holiday season.

Sincerely Yours

Renyu Liu, MD, PhD
